Dear Director

Re: Regulatory Impact Statement for proposed Estate Agents (Fees) Regulations 2018 (Vic)

I refer to your letter and thank you for providing same.

The matter was briefly considered at the last Council meeting following distribution of the documentation by me to Council members on 4 May 2018.

The Council has no objections to the proposed *Estate Agents (Fees) Regulations 2018 (Vic)*.

Yours sincerely

Mark Skermer
